Fall Break Course: Deliberative Leadership - Soft Skills for Lawyers (B714)

This course emphasizes the "soft skills" of judgment, communication, wisdom, leadership, persuasion, self-assessment, self-development and professionalism. Grounded in empirical studies of human behavior, the course is designed to promote client service, legal ethics and professional values. It describes the primary importance of professional soft skills; identifies the impediments to accurate self-assessment and resilient self-development; shows how attorneys can become more socially proficient; discusses the elements of wisdom; highlights leadership traits, skills and practices; and refines our concepts of professionalism. Teaching methods include lectures, simulations, class discussions, breakout sessions, case studies and independent research. This is 1-credit pass/fail law school course offered over fall break (October 9-12) in Chicago, IL. The course will be held at the law firm of Chapman & Cutler at 111 W. Monroe Street from 5 to 8:30 pm. Indiana Law 2L and 3L students may enroll for the one-unit of credit as part of their fall semester course-load (provided they are currently taking 16 or fewer credits). Our office is also seeking JD students who can cite check graduate students' research projects. If interested, please email Ms. **Rhea May** (rhmay@indiana.edu) by 1 p.m. Friday with your name, contact information, relevant experience (including any experience with editing writing from non-native English speakers), and rates.
